

Save the ecosystem, one bag at a time.
Think natural. Think jute.

Unlike most jute bags in the market, our bags are **non-laminated** and **treated with N9 JTF**, a natural, eco-friendly jute treatment product which ensures that our bags are:

- ✓ Non-dusting
- ✓ Non-shreddable
- ✓ Non-toxic
- ✓ Controls malodour
- ✓ Fragrant
- ✓ Sustainable
- ✓ Washable
- ✓ Non-laminated and therefore completely eco-friendly

With us, you will make a difference to the environment and the lives of your customers!
